Team Name: CJM
Report Number: 9
Reporting Week: Mar 10 – Mar 16

Summary of work completed in prior week:

In the prior week, HTML pages for the Student section were created and posted to the private GitHub repository. The testing document and software requirements specification document were worked on. A GitHub repository was created for the website. The navbar and homepage were updated.

Summary of work planned for next week:

Work on moving the HTML pages to the new GitHub repository. Work will also be done on the navbar and the layout for the HTML pages.

Open issues and action plan to resolve them:

There are currently no issues within our team.
